REDUCES WAIT TIMES**

**There were 100,406 surgeries and procedures performed between April 1, 2024, and March 31, 2025. The health system also exceeded its target of completing 90 per cent of surgeries within eight months, with nearly 92 per cent completed within that timeframe.**

***“Saskatchewan’s health care system is delivering on the commitment to improve access to surgical care through investments and setting aggressive targets,” Health Minister Jeremy Cockrill said. “Annual budget investments have helped to stabilize system capacity and lay the groundwork for even greater progress in the years ahead. The surgical program is now well-positioned to achieve a six-month wait time target for most surgeries set for 2025–26. We are thankful to our surgical teams for their hard work and dedication to benefit patients.”***

**HAPPY FATHER'S DAY WEEKEND**

***Happy Father's day to all dads, grandpas and "father figures" this weekend.  
There is no greater gift in life than being called "Dad".***

**I hope everyone has a wonderful Father's Day weekend.**

**A Father means so many things...**

**An understanding heart,**

**A source of strength and of support**

**Right from the very start....**

**A constant readiness to help**

**In a kind and thoughtful way.**

**With encouragement and forgiveness**

**No matter what comes your way.**

**A special generosity and always affection, too  
that will never be forgotten**

**The inspiration for a day dedicated to Dad dates back to the early 1900s. After a woman named Sonora Smart Dodd's mother died during childbirth, she and her siblings were raised by her father, a Civil War veteran named William Smart.**

**To express her gratitude for all her father did for her, Dodd initiated a day designated to "instill the same love and reverence for the father as is the mother's portion," Dodd wrote about the day in a 1910 newspaper article.**

**This weekend is an opportunity to honour and acknowledge the incredible influence and significance of dads. We celebrate the profound impact they have had on our lives, shaping us into the individuals we are today.**

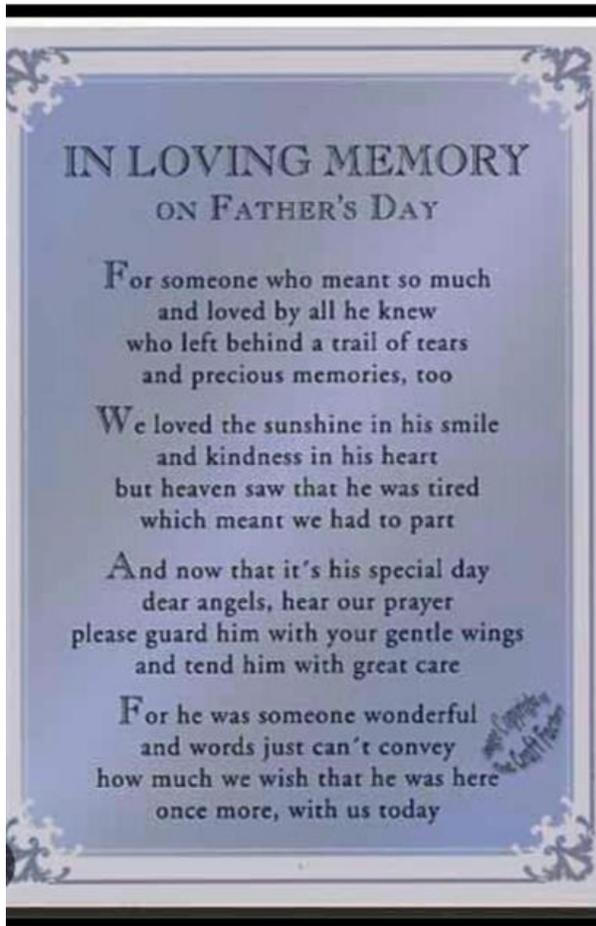

**To all the dads who are present in our lives, we express our deepest gratitude and appreciation. You are the pillars of strength, the guiding lights, and the unwavering support that we rely on. You tirelessly provide for us, protect us, and offer unconditional love. Your presence and involvement in our lives are invaluable, and we cherish the memories we create with you.**

**To the father figures who have stepped into many lives and filled the role of a dad, we are grateful for the love and care you have shown the children. I know your presence and influence have made a significant difference, and we acknowledge the role you play in shaping their lives. Your support and guidance have been a source of inspiration, and we thank you for your unwavering commitment.**

**Let us all take a moment to remember and honor the dads who are no longer with us. Although they may not physically be present, their love and memories continue to live on in our hearts. We reflect on the moments we shared, the lessons we learned, and the lasting impact they made. They may be gone, but their spirit remains with us, guiding us as we navigate life's journey.**

**MADD EVENTS HELD IN SASKATOON**

**It was a heart-wrenching day last Saturday attending the SK MADD Memorial Monument Ceremony for Victims of Impaired Driving. Witnessing the devastation of numerous individuals who lost loved ones due to impaired driving was an emotional experience.**

**I had the privilege of speaking to honour those tragically killed by impaired drivers. Saskatoon Willowgrove constituents Bonny and Craig Stevenson, along with many others, work tirelessly to educate others about the importance of making better, safer choices. The efforts of MADD participants continue to create awareness. Please don't drive impaired!**

**June 6, I attended the MADD Crashed Car campaign launch in Saskatoon - a powerful visual reminder of what can happen when someone chooses to drive impaired.**

**Make a plan before you party - call a cab, a friend, or a rideshare. Just don't drive impaired.**

**Our extend our heartfelt thanks to Craig and Bonny Stevenson, who continue to share their son Quinn's story with courage and purpose. Their message is clear: Drive sober. Save lives.**

**For an eye-opening look at the persistent problem that is impaired driving, visit MADD Saskatoon's website. Their impaired driving log lists every instance a driver has been charged - by date, time and location - proving it's not just happening at 2 or 3 a.m. It's happening everywhere and it needs to stop**

**STAY SAFE WHEN WILDFIRE SMOKE IS IN THE AIR**

Know how to **stay safe**  
when **wildfire smoke** is in the air.

- Check air quality.
- Stay hydrated.
- Keep windows & doors closed.
- Set A/C to recirculate & close fresh air intake.
- Avoid fans that pull outdoor air in.
- Close fireplace dampers.
- Keep car windows shut & use recirculate mode.
- Limit outdoor activity.
- Use HEPA air purifiers if available.

**Take precautions as forest fire smoke is creating poor air quality affecting many parts of the province.**

**Smoke concentrations can vary widely as winds, fire behavior and temperatures change. Children, seniors, and those with heart or lung diseases, are potentially at risk.**

## HINDU SOCIETY DINNER

**I had the pleasure of attending my first Hindu Society Vegetarian Dinner in 2003, courtesy of Dr. Tandon.**

**Over the years, the dinner has grown in tandem with the expanding Hindu community in Saskatchewan. Today, we proudly celebrate the 39th banquet. It was an honour to extend greetings on behalf of Premier Scott Moe and the Government of Saskatchewan, and to participate in a panel discussion alongside Health Minister, the Honourable Jeremy Cockrill and Opposition Leader Carla Beck, moderated by Hon. Rob Norris. Several colleagues were also in attendance.**

**The evening served as a vibrant celebration of the Hindu community's rich cultural heritage, coupled with delectable vegetarian cuisine that plays a pivotal role in fostering connections and community growth. The cultural landscape of our**

province has been significantly enriched by organizations like the Hindu Society of Saskatchewan, whose invaluable contributions to our community's fabric help reaffirm our provincial motto: 'From Many Peoples Strength.'

I take immense pride in living in a province and country where multiculturalism flourishes.

Furthermore, India remains a highly valued trading partner for Saskatchewan, as evidenced by our 2024 exports totalling \$1.5 billion. It was a privilege to celebrate the community's contributions to the cultural, social, and economic tapestry of our province.

## **CROP REPORT FOR THE PERIOD JUNE 3 TO JUNE 9, 2025**

**Almost all Saskatchewan producers have completed their seeding operations with 100 per cent of the 2025 crop seeded. Rain was welcome in many parts of the province this week. However, in areas that did not receive as much rain, topsoil moisture is continuing to decline.**

Rain fell in many areas of the province over the last week with the southeast and east-central regions receiving the highest amounts. The Calder area reported the highest rainfall amount at 36 millimeters (mm) followed by the Stockholm area at 35 mm and the Rocanville area at 34 mm. Regions that did not receive significant amounts of precipitation have noted that rainfall is needed soon to avoid serious crop damage.
