# SEPTEMBER

This new month carries the scent of fresh beginnings and endless possibilities. It smells like success waiting to unfold, peace settling into your heart, happiness lighting up your days, hope shining brightly, and blessings overflowing in every corner of your life.

Open your arms wide because this month is filled with abundance and it's all coming your way.

*~ Virgo- introvert by nature*

Before school starts... just take 5 minutes.  
Not to label supplies. Not to plan lunches.  
But to talk.  
Tell them it's never okay to make fun of  
someone's body, skin, clothes, or lunch.  
Remind them not every kid has new shoes, a  
clean uniform, or someone waiting at home.  
Let them know a quiet kid might be going  
through something big.  
That school is for learning not judging.  
That teasing isn't harmless.  
Just 5 minutes. That's it.  
Because the kind ones? They're raised.

**Bullying can be:**

- **Physical:** involving physical harm often from kicking, punching, hair pulling, pinching and pushing;

**Getting Help - You are not alone. Others will stand with you to stop bullying.**

🚶🚶 Expect increased pedestrian activity near schools throughout the city, and remember to slow down in zones with a posted speed limit of 30 km/h.
