Once again, thank you to the constituents of Saskatoon Willowgrove for the opportunity to serve you and your families. As our Premier said, "Saskatchewan's best days are still yet ahead." I look forward to continuing to help move this province forward and keep Saskatchewan strong!

Our work got underway at a packed room in Regina as the Premier and Government MLA's met for the first time after the April 4 election.

This is my fourth term as a Member of the Legislative Assembly, but each time I enter the legislature, I feel very privileged. It is a humbling experience to represent the people of a vibrant and caring constituency. I'm extremely thankful to my constituents and especially grateful to serve under the leadership of Premier Brad Wall.

The new Saskatchewan is here to stay and we look forward to continuing to work hard for the next four years!

It has taken a lot of time to build the Saskatchewan Advantage; an advantage that has helped to grow and diversify our economy and keep Saskatchewan strong during a period of economic uncertainty. Over the past eight years we have worked to create the Saskatchewan Advantage – a plan to grow and strengthen Saskatchewan through low taxes, sound fiscal management and a stable regulatory regime. We've done this and will continue to do this because we know a growing economy will help us maintain a high quality of life.
