**MAKOWSKY TO ENTER
CANADIAN FOOTBALL HALL OF FAME
AUGUST 20, 2015**

**GENE MAKOWSKY TO BE INDUCTED INTO THE CANADIAN
FOOTBALL HALL OF FAME TODAY IN SASKATOON!**

I am looking forward to joining colleagues tonight at the official ceremony of the Canadian Football Hall of Fame. It is so exciting for our province to host the 2015 Induction Ceremony and Hall of Fame weekend right here in Saskatoon. The Hall of Fame committee is thrilled to working with two great organizations, both the Huskies and Hilltops who are the model of success in Amateur football in Canada.

The Class of 2015 includes builders Bob Wetenhall, Bob O'Billovich and Larry Reda along with players Leroy Blugh, Dave Dickenson, Eddie Davis and Saskatchewan's Gene Makowsky!

Gene Makowsky, a fellow Saskatchewan Party MLA is known for his work ethic and great personality whether it's on the football field, coaching youngsters or in the legislature. Prior to being an MLA, Gene played his entire 17-year football career with the Saskatchewan Roughriders. In fact he has played the most games of any Rider. Throughout his career he played a total of 284 regular season games, 16 playoff games and 4 Grey Cup games with Saskatchewan. Gene was also inducted into Saskatchewan Roughriders Plaza of Honour in 2013.

The festivities this week will include fun and excitement that pays tribute to the legends of the game. The events include the Hall of Fame Jacket presentation that was held last evening, the Bust unveiling held today at the Delta Bessborough and the Induction Dinner this evening. They will also be attending the University of Saskatchewan Huskies game Friday. The Canadian Football Hall of Fame weekend will wrap up in Regina as the Saskatchewan Roughriders host the Calgary Stampeders at Mosaic Stadium.

SASKATCHEWAN RECORDS 22 MONTHS OF LOWEST
UNEMPLOYMENT RATE IN CANADA

August 7, 2015 Saskatchewan's unemployment rate was 5.2 per cent (seasonally adjusted) in July 2015 according to Statistics Canada. This was the lowest rate among the provinces and well below the 6.8 per cent recorded nationally. July marks the 22nd consecutive month the province has had the lowest unemployment rate in the country.

"Today's numbers show Saskatchewan has maintained the lowest unemployment rate in the country for almost two straight years," Immigration, Jobs, Skills and Training Minister Jeremy Harrison said. "We know there are gains and losses taking place in the job market, which is something we watch closely. However, consistently having the lowest unemployment rate in Canada means a sustainable and reliable job market that speaks volumes to business and industry when they are looking for jurisdictions to invest in."

There were 575,300 people employed in July 2015.

REMEMBERING QUINN STEVENSON

There isn't a day that goes by that we don't think of Quinn Stevenson. It was indeed a privilege to know Quinn and we will continue to honour his memory.

The 2nd Annual Quinn Stevenson memorial Golf Tournament was held last week to celebrate the life of Quinn ... a son, brother, grandson, nephew, cousin and friend. Over 150 golfers participated in the event with almost 200 attending the supper to share heartwarming stories about Quinn.

Bonny, Craig and Shea were humbled by the support shown to their family and sincerely appreciate events such as this tournament. It has enabled them to place funds in the trust and give back in Quinn's name.

The compassion and support shown to the Stevenson's is so reflective of Saskatchewan people. A great example of this has been displayed over the past year as the Erindale Arbor Creek Community Association rink volunteers ran a campaign to raise funds to purchase and equip a mobile warm up trailer for the outdoor rink located Egnatoff School. In addition to this purchase, an incredible group of volunteers who maintain the rink continued to work and initiated phase 2 of their project to electrify the trailer. They noted the rink really could use an identity as a community gathering place that would help foster volunteerism, which is so apparent in our community.

They came up with the idea to name the rink after Quinn! Troy Carbno made an announcement at the golf tournament on behalf of the rink volunteers to name the rink after Quinn. The crowd was ecstatic! The re-naming of the rink will involve new signage. The anticipated rink grand opening will be held early this winter. Special thanks to everyone involved in this initiative.

Thursday, August 27, 2015 more than 830 A&W restaurants across the country will participate in *Cruisin' to end MS* in support of the 100,000 Canadians with multiple sclerosis, as well as their families and loved ones. Please join the organizers at A&W, 8th Street, and Stonebridge locations from 4:00 pm to 9:00 pm on August 27 to help them raise funds and awareness for people affected by MS.

Gather in a fun and festive atmosphere celebrating our community's effort to help end MS. A&W Executives, the A&W Great Root Bear®, People living with MS and, MS Society volunteers and

staff will be on site to show appreciation of your support. There will also be games, prizes, classic cars and great music.
